

BREED YOUR OWN THOROUGHBRED CHAMPION!

– BREEDING PARTNERSHIP AVAILABLE WITH THOROUGHBRED RACING NATION –

4-Year-Old Broodmare by **Ghostzipper** out of **Queen Greeley**, by **Mr. Greeley**

GHOSTZIPPER

At **Thoroughbred Racing Nation**, we continuously upgrade and add carefully selected broodmares to our stable. Our most recent acquisition is a beautiful 4 yr. old unraced mare – **Ghostzipper** – who is by the exceptional **Ghostzapper** and is out of a stakes winning mare by **Mr. Greeley**.

Ghostzipper will be bred in early 2022 to a top young sire selected by the owners in her partnership. The foal from this mating will be sold at auction in 2024 as a yearling. Ownership interests in Ghostzipper are being offered in 1% increments at \$300 per unit including all expenses for her care and breeding paid through December 2022.

Beginning in 2023, a quarterly \$100 fee will be assessed for the care of both Ghostzipper and her foal. This fee will include all care and other related expenses for both horses including board, vet bills, and rebreeding of Ghostzipper. When Ghostzipper's new foal is born, owners will also be assessed a proportionate share the stud fee for the sire of her foal. As an owner of Ghostzipper you will also own a comparable interest in the new Ghostzipper foal.

Each year members of Ghostzipper's ownership team will participate in selecting the stallion she will be bred to. Owners will receive updates, photos, and video of Ghostzipper and be invited to participate in on-line meetings to discuss breeding plans and other important decisions about her career.

JOIN IN OWNERSHIP of this exceptionally well-bred 2017 Broodmare by Breeders' Cup Champion & Horse of the Year **GHOSTZAPPER**

BREEDING PARTNERSHIPS can be profitable and fun! Unlike racing partnerships, which provide more immediate action, breeding partnerships take more patience as they require a long-term outlook.

Broodmares give birth to foals annually. Within commercial breeding operations, well-bred, good-looking foals can bring excellent prices if sold at auction or privately. Foals can be sold as weanlings, yearlings, or 2-year-olds. Once the foal is sold, the breeder has no further carrying costs, however, they can continue to collect breeder awards throughout the horse's entire racing career.

It is planned for Ghostzipper to foal in the spring of the following year and then will be bred back to another stallion each spring thereafter. Careful selection of stallions will be made with an eye towards superior matings and commercial

appeal. Each offspring will be sold either privately or at auction with a goal of a positive ROI.

Ghostzipper will be bred to a Kentucky based stallion for her first year of breeding. Her foal will be eligible to earn breeders' awards through participation in the **Kentucky Breeders' Incentive Fund**.

Breeders' Awards are incentives provided by states to encourage and reward breeders to breed to stallions standing in their state and to foal, board, train and race in their state. Incentives vary by state. They can be a lucrative source of continuing income to breeders. Once a foal is sold, the breeder has no further carrying costs for the foal but can continue to collect breeders' awards throughout the horse's entire racing career.
